delivering peace of mind

McKenzie Arnold Security Ltd.

about us...

McKenzie Arnold Security operates a comprehensive, tailor-made, quality security service throughout the UK.

We offer a dynamic and innovative professional security service to meet all our customers' requirements.

McKenzie Arnold Security has an experienced and professional management team with personnel drawn from the senior ranks of the Police Service, the Armed Forces and the Private Security Industry.

McKenzie Arnold Security has an organisational structure which allows senior management a hands on approach, that does not compromise our rigidly enforced **ISO 9001 Quality Assurance system**.

We understand the importance of delivering a quality service consistently, that is why all our team members are fully vetted, well trained, motivated and effectively managed.

The company is fully committed to compliance with the strict rules and guidelines set by the Security Industry Authority

event security...

McKenzie Arnold Security provides event security service for sporting events, concerts and exhibitions product launches private parties and temporary commercial or leisure workplaces

We will undertake all associated practices related to the security provision including liaison with the licensing agencies and the emergency services.

Services include:

- .: Stewarding
- .: Security
- .: Ticket Sales
- .: Traffic and Car Park Management

In many instances the first contact customers or stakeholders have with your event or organisation is with a member of our security team.

McKenzie Arnold Security has a clear understanding that our security officers must be smart, articulate and fully briefed to handle any incidents or situations that may arise.

McKenzie Arnold Security is actively aware that we will be acting as ambassadors for your event, venue or company.

McKenzie Arnold Security is able to provide from one security officer to full event management for events that require up to 300 security officers and stewards.

bespoke designed manned guarding...

McKenzie Arnold Security undertakes manned guarding contracts on a 24 hour basis, covering commercial, retail and entertainment security assignments.

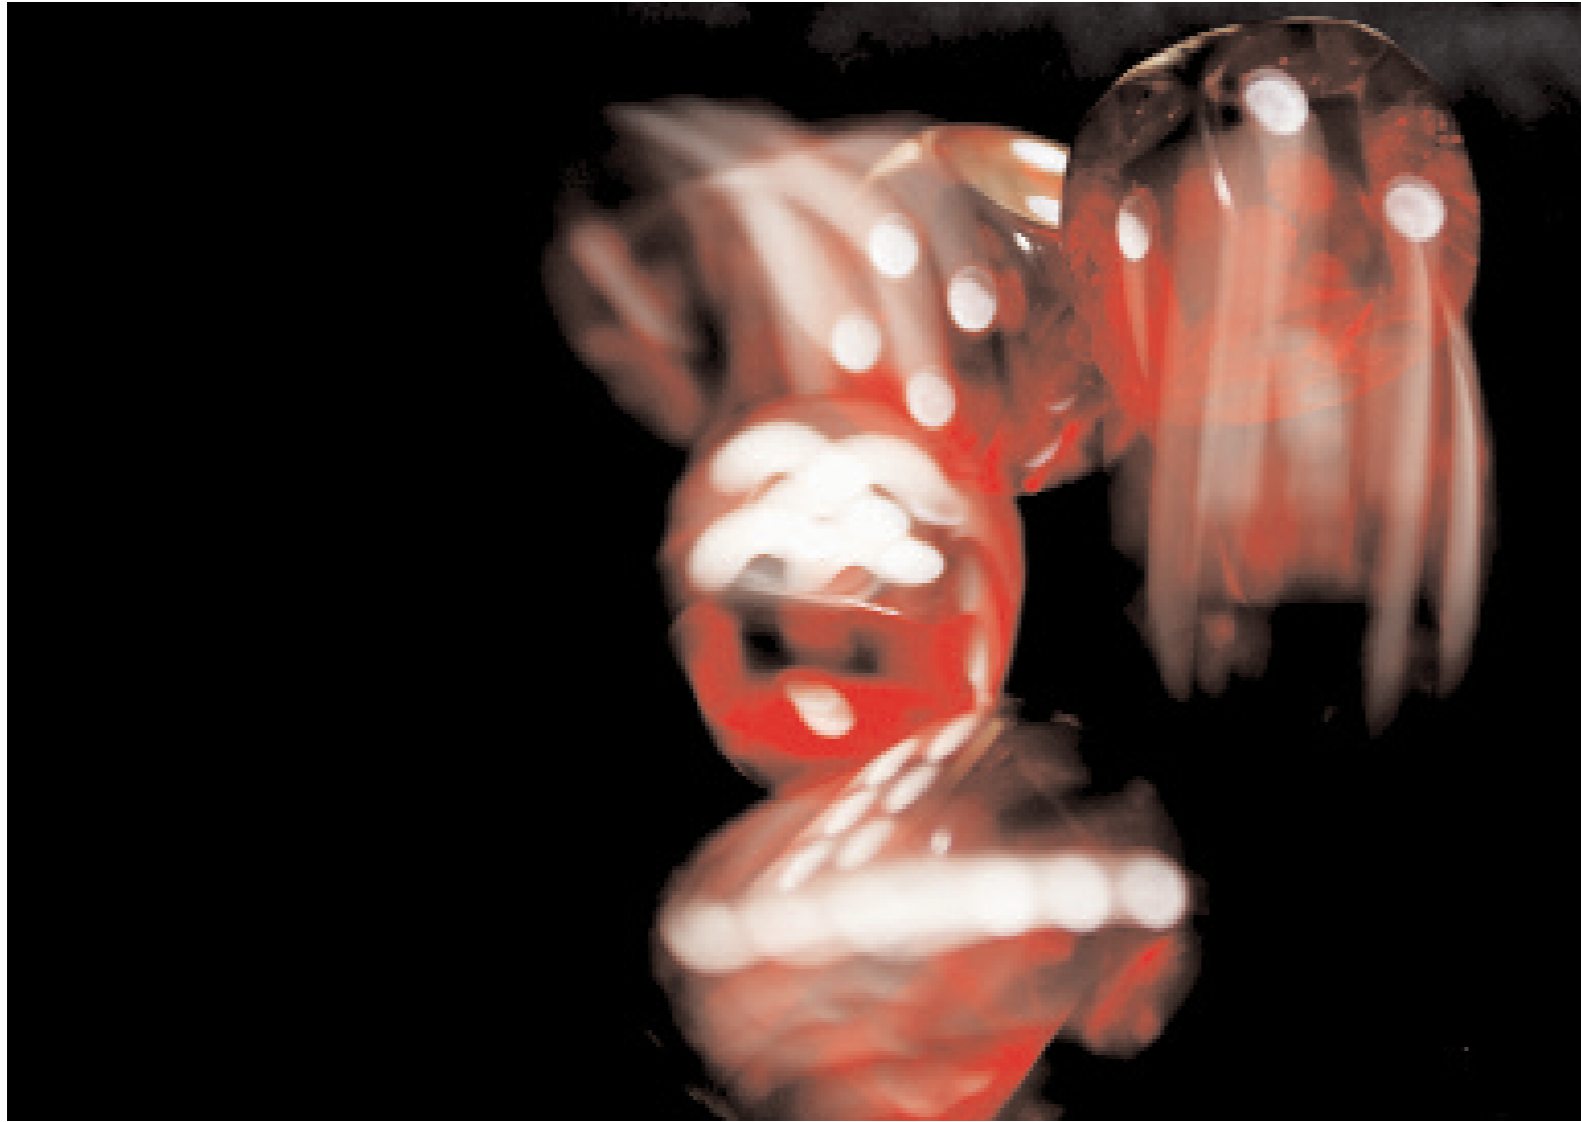

Most properties can be susceptible to theft, damage, acts of vandalism, fly tipping and unauthorised access, costing businesses an estimated £20 billion per year.

Providing any premises or venues with manned guarding security measures is the first step to pro-actively controlling crime and social disorder that may impact upon your business.

McKenzie Arnold Security will make an assessment of your business activity and tailor make our security solution to meet your specific requirements.

McKenzie Arnold Security will provide accurate planning and implementation using only fully vetted, trained and licensed security officers around the clock for your specific security needs.
